Thursday, Dec. 7 & 21 at 4:30 pm

**Anime Club:** 2nd Tuesdays at 6:00 pm

**Trivia Night at the Library!:** Last Thursdays at 6:30 pm

## SPECIAL DECEMBER PROGRAMS

**STEAM Time: Geoboards: Thursday, Dec. 7, 4:30 pm**  
Join engineers from the Schoharie Mohawk Initiative for Science and Technology and learn to build a Geoboard. This simple tool made of common and kid-friendly material and rubber bands allows even the youngest students to start creating geometric shapes and patterns in minutes. For kids in grades K-5 (an adult must be present with kids under 10). Registration is required to ensure adequate supplies.

**New Play Readings: Thursday, Dec. 7, 6:30 pm**  
Join the Theatre Project of Schoharie Country for staged readings of new one-act plays written by local playwrights, produced by local actors and directors. This project is made possible with funds from the Statewide Community Re-grants Program, a regrant program of the New York State Council on the Arts with the support of the Office of the Governor and the New York State Legislature and administered by CREATE Council on the Arts.

**Friends of the Library Meeting: Saturday, Dec. 9, 10:30 am**  
Interested in joining the Friends and learning more about upcoming fundraisers and events? Drop in to learn how you can help support the Library.

**Winter Holiday Paper Crafts: Saturday, Dec. 9, 11:00 am**  
Get ready for the holidays with some fun paper crafts! Learn how to make ornaments, greeting cards, and other decorations with library staff, or get creative and make your own designs.

**Design and Make a Journal!: Thursday, Dec. 14, 6:00 pm**  
In this workshop, students will be constructing a journal and binding it together using the Japanese stab binding method. Students will learn how to cover their books, make pocket pages, and embellish their books--inside and out. We'll provide a variety of materials to choose from, enabling each student to make a journal that is uniquely their own creation. If time allows, students may use the same materials to create a personal card. Open to adults and teens 16 and up.

**Soapmaking Party: Saturday, Dec 16, 11:00 am**  
Learn to make soap with Kenna of Mineral Springs Soap! Watch a demonstration of the full soap making process, then choose colors, scents, and add-ins to make your own bar of crystal soap. Open to teens and adults (ages 13+ only). Registration is required. Sign up online at [bit.ly/SoapmakingParty](https://bit.ly/SoapmakingParty).

**Silver Screenings: Wednesday, Dec. 20, 1:00 pm**  
On the 3rd Wednesday of the month we meet in the library's program room for mid-day matinees, free popcorn, and post-screening conversation about films featuring senior citizens as main characters. This month we'll watch *The Lady in the Van* (PG-13, 2015) starring Maggie Smith.

**Fuzzy Belly Felting Friends: Thursday, Dec 21, 6:00 pm**  
Drop in and spend some time working on needle felted projects alongside other friendly, crafty library patrons. Basic supplies will be provided. The program is open to adults and teens (13+). Note: This is more of a workshop/studio than a traditional class, but beginners can get tips and inspiration from our regulars.
