## SPECIAL JANUARY PROGRAMS

### Polar Bear Reading Challenge

Participate in our new winter reading challenges for a chance to win prizes for reading books. We'll introduce a new bookmark at the beginning of January, February, and March; complete reading goals to earn raffle tickets for a chance to win gift cards from local businesses. Visit the circulation desk beginning Jan. 2 for the January challenge bookmarks.

### Farming with Dynamite: Stone Quarries of Schoharie Thursday, Jan. 4, 6:30 pm

Local author Dana Cudmore will discuss his book *Farming with Dynamite: The Forgotten Stone Boom in Schoharie County* and provide insight and tales related to this little-discussed aspect of Schoharie County history.

### Silver Screenings: Wednesday, Jan. 17, 1:00 pm

This continuing film series will highlight small, independent, and foreign films featuring senior citizens as main characters. We'll meet in the library's program room for mid-day matinees, free popcorn, and post-screening conversation. This month we're watching *Unfinished Song* (PG-13), a 2012, comedy-drama starring Terrence Stamp and Vanessa Redgrave as a married couple who get involved with a senior citizen singing group at their local community center.

### Teen Video Game Night: Wednesday, Jan. 17, 6:00 pm

Unwind with Nintendo Switch games at the Community Library! We've got multiple controllers, so bring some friends along for group games! Light snacks provided. Open to middle and high schoolers (ages 11-18)

### Build and Play: Saturday, Jan. 27, 11:00 am - 1:00 pm

Stop by the Community Library for some fun building time! We've got something for all ages and skill levels. Special building sets for this program include soft blocks, Magnatiles, Keva Planks, and building straws, and we'll have classics like LEGO and wooden blocks, too!

### Teen Paint and Sip: Tuesday, Jan. 30, 6:00 - 7:30 pm

Join us for a relaxed night of painting and hot chocolate! Paint your masterpiece with acrylic paints and canvas while you sip on hot chocolate with fun flavors and toppings. Space for this program is limited, and registration is required. Sign up early to save your seat! Open to middle and high schoolers (ages 11-18) only.

### Script Fixing: Tuesday, Wednesday, Jan. 31, 6:30 pm

Have you tried writing a script for stage or screen and found it's just not working out? Or have you submitted scripts to producers or contests and been rejected without feedback? This lecture/workshop, taught by a former theatre professor and award-winning playwright, will identify some of the most common playwriting and screenwriting problems and offer recommendations and exercises to strengthen your work. Open to adults (aged 18 and up) with all levels of prior writing experience.
