Try a fun twist on egg decorating! Join us for a teen craft night as we make shimmery, mysterious dragon eggs with everyday items. Open to middle and high schoolers (ages 11-18). Registration is required; sign up early to save your seat!

STEAM Time: Make a Paper Speaker: Wed., Apr. 10, 4:30 pm - 6:00 pm

Is it possible to make a speaker out of paper? Join engineers from the Schoharie Mohawk Initiative for Science and Technology to find out! If you love listening to music, this program is for you! Open to kids and teens in grades 4-12. Registration is required; sign up early to reserve your seat.

Tabling Tuesday - Planned Parenthood of Greater NY: Tues., Apr 9, 11:00 am - 1:30 pm

April is sexual assault awareness month. A representative from Planned Parenthood of Greater NY will be here highlighting ways people can help and how to access services if in need.

Cafe Chill: Sat., Apr. 13, 11:00 am - 1:30 pm

At this new library event, we're hoping to recreate the casual, quiet, productive vibe commonly found in hip coffeehouses and cafes. Drop in on Saturday, April 13 to chill out and read or knit or write or idly scroll through your phone while enjoying a hot beverage and pastry. We'll have crayons and adult coloring sheets on hand, puzzles you can work on, and chessboards if you're so inclined. Kick back and spend some quiet "me time" away from the hustle and bustle. Open to adults (18+); good vibes only.

Silver Screenings: Wed., Apr. 17, 1:00 pm - 3:00 pm

This film series will highlight films featuring senior citizens as main characters. We meet in the library's program room for mid-day matinees, free popcorn, and post-screening conversation. The film for April is *The Father* (PG-13, 2020) starring Academy Award winners Anthony Hopkins and Olivia Colman.

Birding for Beginners: Sat., Apr. 20, 11:00 am - 12:30 pm

Chris Keefer, author of the *Daily Gazette's* weekly birding column for over 20 years, will present the basics of birding, an international hobby everyone can enjoy. We'll look at some of the key elements of identifying birds using their colors, shapes, songs and calls, postures, and habitats as clues. Then we'll head outside to put our new skills to the test. Bring your own binoculars or borrow some from the library. Adults and teens aged 12 and up. (Rain date: Saturday, May 18.)

Perler Bead Party: Sat., Apr. 20, 11:00 am - 12:30 pm

Use our meltable Perler beads to make a fun keychain, magnet, or other creation! We have lots of fun patterns you can follow, or try designing something of your own. Open to kids ages 4 and up.

The Community Library's Great Puzzle Race: Sat., Apr. 27, 11:00 am - 1:00 pm

Ready to compete in The Community Library's Great Puzzle Race? Teams of up to four people (all ages) will be given up to two hours to complete a 500-piece jigsaw puzzle. Prizes go to the fastest three teams to finish. Space is limited, so we can only admit the first 12 teams to register.
