SPECIAL MAY PROGRAMS

STEAM Time: Simple Motor: Wed., May 8, 4:30 pm - 6:00 pm
What do windshield wipers, CD players, DVD recorders, blenders, ice makers, laptops, and walking toys have in common? They all contain electric motors. In this program, you will make your own simple electric motor with two magnets to see how these important machines work.
Open to kids in grades 4-8 (ages 9-14). Registration is required--sign up early to save your seat!

Visit The Community Library's website at:
CommunityLibraryCobleskill.org

Immigration Legal Aid Presentation & Clinic: Wed., May 8, 6:30 pm

The Community Library is hosting this presentation by Hiscock Legal Aid Society focused on immigration law, including issues related to green cards, naturalization, DACA, asylum, work authorization, travel documents, and family reunification. This program is free to participants. Language interpreters may be requested at no cost to participants; contact the library for more information about requesting interpreters.

Sponsored by The Community Library, Hiscock Legal Aid Society, and the NYS Office for New Americans.

Cafe Chill: Sat., May 11, 11:00 am - 1:30 pm

At this new library event, we're hoping to recreate the casual, quiet, productive vibe commonly found in hip coffeehouses and cafes. Drop in on Saturday, May 11 to chill out and read or knit or write or idly scroll through your phone while enjoying a hot beverage and pastry. We'll have crayons and adult coloring sheets on hand, puzzles you can work on, and chessboards if you're so inclined. Kick back and spend some quiet "me time" away from the hustle and bustle. Open to adults (18+); good vibes only.

Silver Screenings: Wed., May 15, 1:00 pm - 3:00 pm

This film series will highlight films featuring senior citizens as main characters. We meet in the library's program room for mid-day matinees, free popcorn, and post-screening conversation. The film for May is *Nebraska* (R, 2013) starring Bruce Dern.

Dino Day: Sat., May 18, 12:00 pm - 1:30 pm

Join us at the community library for a dino-riffic time! We'll read a dinosaur story, make a fun craft, and build our own dino skeletons with jumbo foam bones! Recommended for ages 4-8.

Intro to Paper Flowers: Thurs., May 23, 6:00 pm

Registration required, begins May 1.
April showers bring May flowers! Come learn how to make some basic paper flowers with crepe paper, tissue paper, floral tape, and wire. Advanced registration required so we can have enough supplies on hand. Free and open to adults and teens 14+.

Teen Movie Night: Tues., May 28, 5:30 - 7:30 pm

Come relax at the library and watch *Wonka* (PG, 2023) with other teens. Popcorn and sweet treats will be served.
