SPECIAL DECEMBER PROGRAMS

Make a Sock Snowman: Sat., Dec. 7, 11:00 am

Make your own fun winter decoration with socks and other simple items. Open to kids and teens ages 5 and up (kids under 10 must have a participating adult present). Sign up online at bit.ly/LibrarySockSnowman

Tiny Book Ornaments: Wed., Dec. 11, 6:00 pm

Create a personalized ornament filled with tiny books! Participants will assemble their itty-bitty books and decorate the ornament globe to take home. When you sign up, please submit a list of 10-12 books you would like to include in your ornament--these can be your favorite reads from 2024, favorites of all time, favorite holiday or children's books, or any other set you like. Registration is required to ensure adequate supplies and prep time. Open to teens and adults ages 12 and up. Sign up online at bit.ly/TinyBookOrnaments

Wiggle Worms Play and Explore: Sat., Dec. 14, 11:00 am:
Stop by the library for some age-appropriate play and discovery time with sensory toys and activity stations. For babies and toddlers ages 3-24 months and their caregivers.

**Faith Bible Academy Bell Ringers Performance:
Tues., Dec. 17, 1:30 pm**

Faith Bible Academy 4th through 7th grade students lead by music teacher Vyanna White will provide a handbell and hand chime program of 3-4 songs. The Friends of The Community Library will provide a light snack.

Silver Screenings: Weds., Dec. 18, 1:00 pm

The film Living with Bill Nighy will be the last in this series of films featuring senior citizens as main characters. We'll meet in the library's program room for mid-day matinees, free popcorn, and post-screening conversation.

Senior Planet Mindfulness Apps: Thurs., Dec. 19, 2:00 pm

During this busy holiday season, do you feel the need to unwind? Join Library Director Kim Zimmer for this overview of mindfulness apps and how to incorporate them into your life. You'll learn about popular apps that teach breathing and meditation techniques, as well as new technology like wearable breath monitors and smart yoga mats. This is a Senior Planet from AARP supported lecture for individuals 50+ years of age. Registration is requested at bit.ly/MindfulnessAppsSeniors

**Engineering Challenge with SMIST: Scrappy Circuits
Thurs., Dec. 19, 4:30 pm**

Discover electrical circuits with this innovative and hands-on activity! Participants will explore how circuits work and make take-home electrical component kits out of basic office supplies and dollar-store items. Open to 4th-8th graders. Sign up online at bit.ly/DecemberEngineering
