## SPECIAL FEBRAURY PROGRAMS

### Polar Bear Reading Challenge

Participate in our winter reading challenges for a chance to win prizes for reading books. We'll introduce a new bookmark at the beginning of January and February; complete reading goals to earn raffle tickets for a chance to win gift cards from local businesses. Visit the circulation desk beginning Jan. 3 for the January challenge bookmarks.

### Learn to Make Pop Up Cards: Sat., Feb. 8, 11:00 am

Need a card for your Valentine? Join this fun workshop and learn how to make two different styles of greeting card with pop up elements. Cards can be personalized for Valentine's Day, birthdays, or any other occasion. Recommended for ages 7 and up (this program requires quite a bit of cutting and other fine motor skills). Children under 10 must have a participating adult present.

### Engineering Challenge: Wobble Game: Thur., Feb. 20, 4:30 pm

Do you have what it takes to build and beat the Wobble Game? Challenge your building and balance skills with this fun engineering challenge, taught by an engineer from the Schoharie Mohawk Initiative for Science and Technology. Open to kids in grades 4-8; registration is required.

### Teen Board Game Night: Tues., Feb. 25, 6:00 pm

Stop by the library and play board games with friends! We've got classics like Life and Monopoly as well as newer favorites like Settlers of Catan and Ticket to Ride, plus plenty of chess sets and fast-paced card games. Open to grades 6-12 only.

### Streaming & Smart TVs: Thur., Feb. 27, 2:00 pm

Every day, more and more people are "cutting the cord" and canceling their cable subscriptions. Instead, they're using free or low-cost streaming services like YouTube, Netflix, and Hulu to watch shows and movies online. This presentation will introduce streaming: what it is, how to use it, and the variety of content available.

This is a Senior Planet from AARP supported lecture for individuals 50+ years of age. Registration is requested at <https://bit.ly/StreamingSmartTV> or by calling the library

### Paws for Reading: Saturdays, 1:00 pm

We have a new member of our Paws team! August and her cat Athena are in training for therapy animal certification. You can read to and pet Athena during her training sessions.

## \*CABIN FEVER VIRTUAL PROGRAMS

All classes will be held online via Zoom. Registration required.
